PAJERO CLUB OF VICTORIA INC

Registration No A000542766

ABN 82 344 073 688

Adventure Seeker

P.O. Box 117 Mitcham, Vic, 3132

www.pajeroclub.com.au

The Pajero 4WD Club of Victoria is a vibrant family orientated club offering friendship, social and educational activities amongst all 4WD owners and their families. The Club is not restricted to Pajero vehicle owners.

Formed in 1984 The Club now has around 300 active family members.

PURPOSE

1. Promote, represent, encourage and support the recreation of four wheel drive touring.
2. Promote safe and responsible operation of four wheel drive vehicles.
3. Promote a forum for the exchange of ideas and the involvement in activities associated with the ownership and operation of four wheel drive vehicles.
4. Promote and represent the interests of owners and drivers of vehicles of the Club.
5. Afford members such benefits and privileges as it may be possible to arrange.
6. Pursue and conduct programmes and projects that affect four wheel drive touring and activities of the Club generally.
7. Promote and foster good relations and co-operation with other bodies/associations with similar interests.

Our Club is very active in Driver Education at a practical level. As a member you would be welcomed, and encouraged, to participate in the courses offered.

Children playing on the dunes at Portland

The aim of these courses is to improve the knowledge and expertise of members. Appropriate training reduces the risk of injury to you, your vehicle or the environment, and enhances the experience of your investment. Our instructors are registered with the Victorian Association of Four Wheel Drive Clubs Inc (Four Wheel Drive Victoria or FWDV). They have a great deal of knowledge and very practical hands-on experience at 4WD touring.

Pajero Challenge

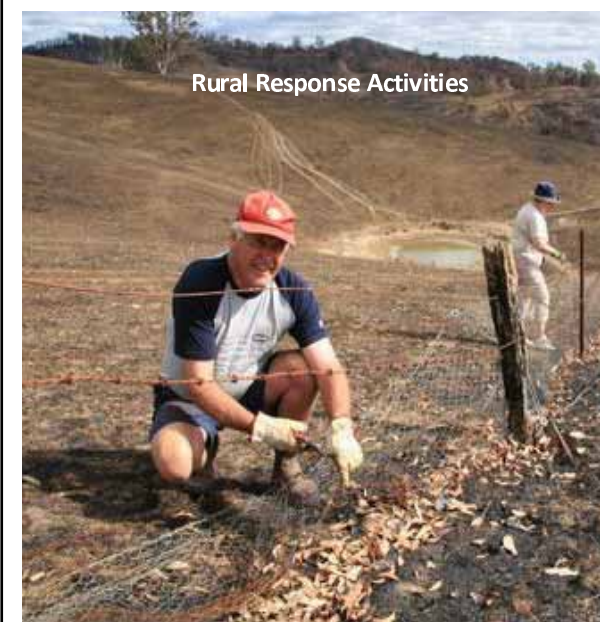

The Club organises and runs the 'Pajero Challenge'. This annual event is a 24 hour navigational event run with an open invitation to members of all 4WD Clubs. The Pajero Challenge is highly regarded within the 4WD Club fraternity and is keenly contested in the spirit of good fun and skills testing.

The Pajero Club is a financial member of the FWDV which in turn is a member of the Australian National Four Wheel Drive Council (ANFWDC). FWDV and ANFWDC are State and National organisations and as such represent Clubs at government and government departmental levels to promote our points of view. Members generate Club trips, social events, charitable causes and champion environmental caretaking in the Australian bush. Our Club promotes 'Tread Lightly' principles, and we are proud to be an active campaigner in the fight to both care for and retain the right to explore this great country, not just for our Club, but for all !

The Pajero 4WD Club performs community services by assisting in bush cleanups, keeping fire trails clear,

maintaining remote alpine huts, assisting communities in rural areas in times of need and supporting other related community activities. The Club has always been an active participant in these types of causes, and members are rightly proud of their achievements through initiatives such as the Pajero Club Rural Response Group, and the Mobile Land Care Group, which combine recreational activities with environmental outcomes. In fact the Club has been awarded for its environmental activities through the Mobile Land Care Group.

Rural Response Activities

We produce a quality monthly magazine, **EXCEED**, and complement this with our website, both of which contain details of forthcoming trips, reports of previous trips and, of course, details of all the social events.

We also offer a shop that sells Pajero Club branded clothing and discounted 4x4 equipment.

Our library is comprehensive and offers maps, videos, books and magazines.
