- Subscribed Mass emails from administrators, such as newsletters and other important notifications

There are 2 subscription option check boxes. Click whichever un-subscription options you wish and press **Save**.

The two un-subscription buttons have the following effect:

- Box 2 - Unsubscribe from mass email notifications from administrators

There are some emails that you cannot unsubscribe from using this method. For example, User name and password emails and some renewal and financial emails will still be sent to your email address.

If you wish to completely de-activate emailing to this member please contact the club Membership secretary.

If you are a bundle administrator and you wish to unsubscribe your bundle member, log into your profile page and select the profile of your bundle member. Follow the same steps as above for your bundle member.
