

Choosing or resetting your password

Choosing your password from the initial password email.

The first email you will receive from the Wild Apricot Membership system once your account has been established provides you with information about your Wild Apricot Login.

The email will confirm your login details and provide a link to choose your password. Click on the password link to open the **Reset password** page where you will be prompted to enter your email address, complete the “CAPTCHA” security challenge and press the **Submit** button.
